INFORMATION SOCIETY 2021

URBANITE Workshop 2021

A workshop of the 24th International Multiconference Information Society 2021 (IS 2021)

## 8 October 2021

Workshop Topics

The URBANITE Workshop will be a forum for presenting the state-of-the-art solutions for the urban mobility with the focus on disruptive technologies such as artificial intelligence, decision support systems, big data analytics and predictive algorithms, which are applied in mobility data analysis, eventualities prediction, and supporting public administrations in making policy-related decisions.

The workshop is an activity of the URBANITE project. We welcome papers from the academia, the industry, and the policy makers in the mobility and smart cities fields.

The workshop will focus on the following topics within the scope of mobility within smart cities:

- Artificial intelligence
- Intelligent systems
- Machine learning
- Data mining
- Decision support systems
- Big data analytics
- Co-creation activities
- Social-related aspects
- Urban transformation

Instruction for Authors

We call for papers on the topics of the workshop, which should be accessible to a relatively wide audience. The papers should not exceed four pages, and should be written in English. Template files including formatting instructions are available on the IS conference submission page. The authors should submit papers via EasyChair.

The papers will be reviewed by the programme committee. The accepted papers will be published in the IS conference proceedings and presented at the IS conference. Extended versions of selected papers from all Information Society conferences will be invited to the Informatica journal.

Workshop Programme and Participation

The accepted papers will be presented at the workshop. By default, the presentations will be given in English and can include the demo of the presented solution. Time allocated for each presentation will be approximately 15–20 minutes (including discussion).

Important Dates

29 August 2021: submission deadline
12 September 2021: acceptance notification
19 September 2021: deadline for revised camera-ready papers
